## G. Beavani Prasade:

Secretary to Government, Legislative affairs \& Justice, Law Department.

## STATEMENT OF OBJECTS AND REASONS

In the conference of State Chief Ministers and finance Ministers held on 16-11-1999 at New Delhi, consensus has been reached to adopt uniform floor rates i.e. $0,4,1 B$ and 12 and two special rates i.e. 15 and 208 of sales tax by all the States with effect Erom lst January, 2000. This will end the rate war amongst the states and the Union Territories. It was also suggested that the states should bring uniform floor rates into effect through an Ordinance wherever necessary.

The Standing Committee of State Finance Ministers to monitor sales tax reforms met on 20-12-1999 at New Delhi and suggested for a deterrent action against any State not falling in line with the unanimous decision of the Committee it suggested that non-compliance with the floor rates should be treated as a negative revenue measure.

Therefore, in order to implement the rate of tax on the commodities to be in tune with the flosr rates suggested by the Comittee of the Chief Hinisters and the Finance Hinisters the Government of Andhra Pradesh have decided to amend the provisions of the Andhra Pradesh General Sales Tax Act. 1957, suitably.

As the Legislative Assembly of the Siate was not then in Session having been prorogued and as it has been decided to give effect to the above decision immediately, the nodhra Pradesi General Sales Tak (Amendment) Ordinance, 1999 [A.P. Ordinance No. 10 of 1999) has been promulgated by the Governor on the 31st Decenber, 1999.

Further, it is also decided to amend sections 21(1)(bbb), 12, 13 , 14 E and $16(3)$ of the Act for expanding the definition of 'business' and for issuing separate identifiable Registration Certificates to retail dealers and to make them eligible for 'deermed assessment' scheme irrespective of their turnovers and to levy graded penalty for the offence of non-issue

## STATEMENT OF OBJECTS AND REASONS

It is rioticed that eertain dealers are avoiding payment of tax on actual turnovers by arranging sales through their sister concerfns. Tax is being paid at the point of first sale on a very low turnover of goods and the same are sold at a higher price at the second and subsequent seages by their sister concerns and exemption is claimed on that turnover. In order to plug such leakage of revenue it is proposed to mocify, the definition of 'turnover'.

Similary, certain dealers are disclosing aifferent turnovers to different departments/ agencies to suit their convenience. It is, therefore, froposed to adopt the highest value of the goods disclosed by the dealer to various statutory bodies or departments for the purposc of levy of tax. The fee for Registration was fixed move than a decade ago as Rs.100/-. It is now proposed to be increased to Rs. $500 /$. The time limit for finalising the assessments underithe fot is proposed to be fecuced so that the pendency of assessnents is pegged at the barest miniman. The power to seize and confiscate the unaccounted goods is preseatly limited to these available in office, shop, godowns aic., only in tzansit which are accompanier by valid documents. It is proposed to plug the lakage of revenue by making suitable mendments are proposed for eifertive implerendation we trie provisicns of the Act

Basing on the information gathered from the market and on trefequests made by the trofers associations, the rate of tax on certain cemmodities and the stages of levy are also' somott to be modified.
ro achieve the above objocts and to sere三n? ir: leckaje of revenue, Government have decided to amena the Provisicns of the Andhra Fradesh General Scles Tax Act, 2957 suitably.

This bill seeks to give effect to the above decisisin

## STATEMENT OF OBIECTS AND REASONS

It is the constant endeavour of the department to plug the loopholes so that the revenues of the state are protected. To achieve the above object, study teams were sent to neighbouring states and basing on their reports certain amendments to the provisions of the Andhra Pradesh General Sales Tax Act. 1957 are proposed.

As an additional revenue measure it has been decided to accept the proposal of the Commissioner of Commercial Tases, to levy Turnover Tax on the first sales of Petroleum products at $2 \%$ and on Motor Vehicles at $1 \%$ with a condition that the additional tax levied should not be passed on to the consumer as is being done in Tamilnadu Stte. Accordingiy an amendment to section 5-A of the APGST ACt, ©5: proposed.

In order to discourage dealers to file appeals on Rimsy grounds and obrain stay of collections of taxes due, it is proposed to impose a condition of payment of ceran percentage of tax before the appeals are admitted pore vatious appellate forums.

As the deemed assessment scheme for the deab, "vhose tumover is less than Rs. 10.00 lakbs per annum vorking out smoothly, it is now proposed to extend the scye to the dealers whose turnover is less than Rs. 20.0 exhsalso. This amendment will speed up the asses entwork substantially, and the arrear assessment work wondown substantially.

A decision has been taken in the 321 md gof S.I.P.B. held on $20-8-2001$ to charge only $9 \% \mathrm{ir}^{\text {st }}$ or the deferred payment of sales tax as a mearre of fal of sick industry and an amendment has to te calt to
Section 16 (2) (b) of the Andhra Pradesh Gener Tax Act, 1957.

It is also proposed to amend certain entries in the first, Third, Fourth and Sixith Schedules to the Andhra Pradesh General Sales TAx Act, 1957 to streamline the procedure and augment the revenues of the State. The entry relating to Washing machines in the sixth Schedule was modified suitably, keeping in view the judgement of Hon'ble Supreme Court. In order to clear any ambiguity, imported liquor is also now proposed to be taxed at the rat eof $70 \%$ alongwith Indian made foreign liquor. Taking into consideration the representations made by the Copra merchants the point of levy has been changed from first purchase to last purchase. Orders were already issued amending the above entries, but they are now included in the draft Bill as required under section 42 of the Andhra Pradesh General Sales Tax F.ct, 1957.

In view of the abovefacts and to protect State revenues the proposal of the Commissioner of Commercial TAkes, to issue an Ordinance to levy Turnover Tax of Petrol, Diesel and Motor Vehicles etc. has been accepted and as the Legislative Assembly of the State was not then in Session having been prorogued, the "Andhra Pradesh Generai Sales Tax (amendment) Ordinance, 2001 (AP Ordinance No. 9 of 2001 )" has been promulgated by the Govemor on the 30th November 2001 and published it on the same date.

The Bill seeks to give effect to the above decision.

## Lonv Department. <br> STATEMENT OF OBJECTS AND REASONS

Assessments under the Andhra Pradesh General Sales TAx A ct, 1957 have to be completed within a period of three years from the expiry of the year, to which the assessment relates.

In view of the proposed itroduction of VAT with effect from 1-4-2002, a proviso was introduced, further restricting the period of limitation for finalising assessments relating to the year 1999-2000 to two years and to one year for the assessments relating to years 2000-2001 and 2001-2002. A's per the national consensus, the introduction of VAT has been postponed by one year.

In order to clear the huge pendency of assessments, it is now proposed to omit the proviso, which restricted the time period so that assessments could be complelted within the usual period of three years.

The Bill seeks to achieve the above object.

## STATEMENT OF OBJECTS AND REASONS

The existing definition of dealer is suitably worded to include all bodies who make any sales or dispose of any goods. As a mather of abundiant caution to protect the revenues, it is proposed to amend the definition of dealer with retrospective effect from $1-8-96$ so as to inelude all the Government bodies into taxation net. Hence, it is proposed to amend sertion 2(1) of the Act.

The contractors cannot be allowed to make any interstate purchases of goods if they want to come under compositiou schcrue By puting such restrictions they will have to make local purchases thereby the state's revenues are protected ard our tax does not go to other states. Hence, it is proposed to insert a new sub-section under Section 5(G) of the Act, as a sifalilar provision is available in Karnataka Sales Tax Act also.

To curb the tendency of non-issue of sales bills it is proposed io increase the quantum of penality in sub-section (3) (a) to Rs.500/- and in sub-section (3) (b) to Rs. $3000 /$ by amending Section 13-C of the Act.

The Sales Tax dues deferred under the deferral scheme would be treated as deemed to have been paid and in the said umount is also treated as interest fres Government loan. Under tite Section 16-C of the Act, first charge on the property of the dealer is nol created in respect of the said loan and that in the interest of the revenue, it is desirable to include the same to avoid ambiguity and possible litigation. Hence, it is proposed to amend the Section 16-C of the Act, so that the Goveniment dues are protected.

Orders were issued, amending column (3) agaisnt item 32 in the First Schedute to the Act relating to 'Bricks etc.' rhanging the point of lovy from 'lest sale' to 'first sale' to 'asion of tax.

In order of levy tax on declared goods i.e. on iron $\&$ Steel and scrap (ltems 2 and 2A of III Schedule) with set off of tax at more then one stage, it is proposed to amend the entries in the Third Schedule.

The Bill seeks to achieve the above object.
