### [THE ORISSA IRRIGATION ACT, 1959]

*[Received the assent of the Governor on the 12th October 1959, first published in an extraordinary issue of the Orissa Gazette, dated the 22nd October, 1959]*

#### AN ACT TO CONSOLIDATE AND AMEND THE LAWS RELATING TO IRRIGATION, ASSES- MENT AND LEVY OF WATER RATE AND CESS IN FORCE IN DIFFERENT PARTS OF THE STATE OF ORISSA

WHEREAS it is expedient to consolidate and amend the laws relating to irrigation, assessment and levy of water rate and cess in force in different parts of the State of Orissa;

It is hereby enacted by the Legislature of the State of Orissa in the Tenth Year of the Republic of India as follows:—

### CHAPTER I

#### PRELIMINARY

1. (1) This Act may be called the Orissa Irrigation Act, 1959. Short title  
and extent.

(2) It extends to the whole of the State of Orissa.

2. Section 1 shall come into force at once. Application.  
The State Government may, by notification in the Official Gazette, apply<sup>2</sup> the rest of the provisions of this Act, or any portion thereof to any local area or

1. For Statement of Objects and Reasons, see *Orissa Gazette*, Extraordinary, dated the 4th December 1957 (No. 486) and for Report of Select Committee see *ibid*, dated the 13th December 1958 (No. 614).

2. Sections 2 to 56 came into force with effect from 1st June 1961 in the whole of the State of Orissa except the area where water rates and cesses are being levied under the provisions of the Bengal Irrigation Act, 1876 (Ben. Act III of 1876) and the Madras Irrigation Cess Act, 1865 (Mad. Act VII of 1865), vide (a) Notification No. 24431, dated 24-5-1961, published in the *Orissa Gazette*, Extraordinary (No. 362), dated 25-5-1961, (b) No. 35904, dated 30-5-1963, (c) No. 35096, dated 30-5-1963 and (d) No. 35098, dated 30-5-1963, published in the *Orissa Gazette*, Extraordinary, (No. 378) dated 30-5-1963.

## (Sec. 3)

to any irrigation work or class of irrigation works, and may also, by a like notification subsequently exclude any portion of such local area or any such irrigation work or class of irrigation works from the operation of this Act, from such date as may be specified therein.

Repeal and  
Savings.

3. On the date of application of this Act or any portion thereof to any local area or to any irrigation work or class of irrigation works by a notification under section 2, such of the Acts specified in the Schedule and the rules and orders made thereunder as were in force in the area to which they apply and all laws, rules or orders in force and applicable to the areas other than those mentioned in the Schedule and now forming part of the State of Orissa shall in respect of that area or areas or any irrigation work or class of irrigation works, stand repealed:

Provided that such repeal shall not affect—

- (a) the previous operation of the said Acts, rules and orders, or anything duly done or suffered thereunder; or
- (b) any right, privilege, obligation or liability acquired, accrued or incurred under the said Acts, rules, laws or orders; or
- (c) any penalty, forfeiture or punishment in respect of any offence committed under the said Acts, rules, laws or orders; or
- (d) any investigation, legal proceedings or remedy in respect of any such right, privilege, obligation, liability, forfeiture or punishment as aforesaid, and any such investigation, legal proceedings or any action for remedy may be continued, enforced or instituted with respect to any act previously done and any such penalty, forfeiture or punishment may be imposed as if this Act or any portion thereof had not come into force.

## CHAPTER II

CONSTRUCTION AND MAINTENANCE OF  
IRRIGATION WORKSPower to  
enter and  
survey, etc.

5. (1) Any Irrigation Officer, or any person acting under the general or special order in writing of an Irrigation Officer, may—

- (a) enter upon any lands adjacent to any irrigation work or water-course, or through which any irrigation work or water-course is to be made, and undertake surveys or levels thereon ;
- (b) dig and bore into sub-soil ;
- (c) make and set up suitable land-marks, level-marks, water-gauges and other apparatus ;
- (d) do all other acts necessary for the proper prosecution of any inquiry relating to any existing or projected irrigation work or water-course under the charge of the said Irrigation Officer ;

1. Substituted by the Orissa Irrigation (Amendment) Act, 1974 (Or. Act 21 of 1974), s.2 (c) for the words "any crop".

2. The word "to be notified by the State Government in this behalf and generally grown in the area" omitted by the Orissa Irrigation (Amendment) Act, 1962 (Or. Act 24 of 1962), s. 2 (d).

(Sec. 5 contd.)

- (e) where otherwise such inquiry cannot be completed, cut down and clear away any part of any standing crop, fence or jungle ; and
- (f) enter upon any land or building for the purpose of inspecting or regulating the use of the water supplied, or of measuring the lands, irrigated thereby or chargeable with irrigation revenue and of doing all things necessary for the proper regulation and management of any irrigation work :

Provided that, if such Irrigation Officer or person proposes to enter into any building or any enclosed court attached to a dwelling house, he shall give the occupier of such building or court at least twenty-four hours' notice in writing of his intention to do so.

(2) After entry under this section, the Irrigation Officer shall, before leaving, tender compensation to the owner or occupier of such land for any damage which may have been caused by any proceeding under this section; and, in case of dispute as to the sufficiency of the amount so tendered, he shall refer the matter for decision by the Collector. Such decision shall be final, and no suit shall lie in a civil court to have it set aside or modified.

(3) Whenever the State Government propose to construct any projected irrigation work they shall, after completion of the survey and enquiry as may be necessary, for the purpose in accordance with the provisions of sub-section (1), publish in the prescribed manner the description of the said work indicating the situation thereof and the area likely to be benefited or adversely affected thereby along with any further particulars as may be prescribed and call for objections or suggestions from persons interested to be filed before the prescribed authority within a time to be specified.

Every such objection or suggestion shall be heard and considered by the said authority in the prescribed manner, who shall after the close of the enquiry submit the entire record of the proceedings

## (Sec. 6)

along with his report and recommendations to the State Government for their decision which shall be final:

[Provided that nothing in this sub-section shall apply in respect of any minor irrigation work and the procedure to be followed in the construction of any such work shall be as may be prescribed.

*Explanation*—For the purposes of this sub-section 'construction of any projected irrigation work' shall include the extension or improvement of any irrigation work if as a result of such extension or improvement—

- (a) the ayacut of such irrigation work is increased ; or
- (b) such irrigation work is assigned a class higher than that to which it belonged. ]

Power to enter for repairs and to prevent accidents.

6. (1) In case of any accident happening or being apprehended to an irrigation work, any Irrigation Officer or any person acting under his general or special orders in writing in this behalf, may enter upon any lands adjacent to such irrigation work, and may execute all works which may be necessary for the purpose of repairing the damages caused by or preventing such accident.

(2) In every such case the Irrigation Officer shall tender compensation within one month to the owner or occupier of the said lands for all damages caused thereto by the entry or by any works executed thereon. If such tender is not accepted, the Irrigation Officer shall refer the matter to the Collector who shall thereupon give notice in writing to the person or persons interested in such land and to the Irrigation Officer requiring them to attend before him on a date to be fixed in the notice for the purpose of making enquiry as to the amount of compensation. The Collector shall after making such enquiry as he may deem necessary decide the amount of compensation payable to such person or persons.

## (Secs. 7-9)

7. Whenever it appears to the State Government that injury to any land or to the public health or public convenience has arisen or may arise from the obstruction of any river, spring, stream, irrigation work or drainage work, they may, by notification published in the Gazette, prohibit within limits to be defined in such notification, the formation of any obstruction, or may, within such limits, order the removal or modification of such obstruction.

Power to prohibit obstruction: or to order their removal.

8. (1) The Collector, or any Irrigation Officer authorised by the State Government in this behalf, may, after such publication, issue an order to the person causing or having control over any such obstruction to remove or modify it within a time fixed in the order.

Power to remove obstructions.

(2) If, within the time so fixed, such person does not comply with the order, the Collector or the said Irrigation Officer may remove or modify the obstruction and the expenses incurred in such removal or modification shall be recoverable from the person concerned as arrears of land revenue :

Provided that the Collector or the Irrigation Officer authorised by the State Government may, in cases of emergency, remove the obstruction before publication and the expenses incurred shall be recoverable in the same manner.

9. (1) There shall be provided, at the cost of the State Government, suitable means of crossing canals constructed or maintained at the cost of the State Government at such places as the State Government think necessary for the reasonable convenience of the inhabitants of the adjacent lands.

State Government to provide means of crossing canals.

(2) On receiving a statement in writing, signed by not less than five persons who may be owners or occupiers of such lands, to the effect that suitable crossings have not been provided on any canal, the Collector shall cause an enquiry to be made in the matter and if he thinks that the statement requires favourable consideration, he shall report his opinion thereon for the consideration of the State Government, and the State Government shall cause to be taken such measures in reference thereto in the prescribed manner.

## (Sec. 10)

Power to  
impress  
labour in  
emergency.

10. (1) Whenever it appears to the Irrigation Officer or any officer acting under his general or special orders in this behalf, that, unless some work is immediately executed, such serious damage shall happen or continue to happen to any irrigation work as is likely to cause or continue to cause serious public injury or serious interruption of the normal course of irrigation and that the labour necessary for the proper execution thereof cannot be obtained in the ordinary manner in time to prevent such injury or interruption or to remedy it within a reasonable time, the Irrigation Officer or any officer acting under the said orders, may, by public proclamation by beat of drum, require every owner and occupier of irrigable land resident in any village within five miles of the place where the work is to be executed, and every agricultural labourer employed by them, to attend in person at such place and to carry out such duties as he may allot to them in connection with the execution of the work necessary for the safety of the particular irrigation work.

(2) If the Irrigation Officer, or any officer acting under his orders is of opinion that the amount of labour likely to attend in pursuance of an order under sub-section (1) is not sufficient, he may at any time, in like manner and subject to the same conditions as laid down in sub-section (1) issue a like order requiring the attendance of all cultivators or of all agricultural labourers or of both resident within five miles of the place where the work is to be executed.

(3) The rates of wages to be paid for such work shall be at the approved rates of the Works Department for labour or services performed during day time and at double such rates for any labour or services performed during night time, and any person attending in compliance with the proclamation shall be paid for the whole period during which he is thereby prevented from following his ordinary avocation.

(4) No person shall be required to carry out any duties under this section for which such person is unfitted by reason of age, sex, health or bodily infirmity.

(Secs. 11-13)

## CHAPTER III

## CONSTRUCTION AND MAINTENANCE OF WATER-COURSES

11. For the purpose of making use of the water of an Irrigation Work, the water-courses shall be constructed by the persons to be benefited at their own cost.

Construction of water-courses.

12. (1) Any owner of land desiring the construction, extension, improvement, or alteration of a water-course may apply in writing to the Irrigation Officer, and the said Officer may, after giving such notice and causing such enquiries as may be prescribed either permit the applicant to construct, extend, improve or alter the said water-course or, if the applicant so desires, have it constructed, extended, improved or altered through Government agency on such terms and conditions to be fixed by the Irrigation Officer as regards payment of costs, mode of execution, time of completion, facilities to be afforded by the applicant to safeguard other interests or to benefit other lands whose owners may apply for the same, and other matters as may be relevant in each case or may reject the application.

Construction, extension, improvement or alteration of a water-course on the application of person interested.

(2) Any person aggrieved by an order under sub-section (1) may within thirty days from the date of intimation of the order, appeal to the Collector and his decision thereon shall be final.

(3) If it is necessary to acquire any land for the purpose of sub-section (1) the Collector may on application for the said purpose proceed to acquire the same under the provisions of the Orissa Development of Industries, Irrigation, Agriculture, Capital Construction and Resettlement of Displaced Persons (Land Acquisition) Act, 1948 or any other law for the acquisition of land for the time being in force.

Orissa Act 18 of 1948.

13. No water-course constructed, extended, improved or altered under the provisions of section 12 shall be altered without the consent of the Irrigation Officer.

No alteration of water-course except with consent of Irrigation Officer

## (Secs. 14-16)

Obligations of owners of land receiving supply from water-course.

14. All owners and occupiers of land receiving supply of water from a specified water-course shall be bound—

(a) to maintain such water-course in a fit state of repair ;

(b) to allow the use of it to any person entitled to the same by reason of an order passed under section 12 or otherwise ;

(c) to construct and maintain all works necessary for the passage across such water-course of canals, water-courses, drainage, channels and public roads existing at the time of such construction and of the drainage intercepted by it, and for affording proper communications across it for the convenience of the occupants of the neighbouring lands.

Enforcement of said obligations.

15. (1) If the owners and occupiers of lands receiving supply of water from a specified water-course fail to fulfil any obligation imposed on them by clauses (a) and (c) of section 14, the Irrigation Officer may require them by public notice to execute the necessary work or repair within such period as may be prescribed not being less than five days from the date of the said notice and in case of their default the Irrigation Officer may execute the same on their behalf.

(2) The expenses incurred by the Irrigation Officer on any work or repair under sub-section (1) shall be recoverable *pro rata* on the basis of the acreage of land benefited by the water-course from the defaulters as arrears of land revenue.

Settlement of disputes concerning water-courses.

16. Whenever a dispute arises between two or more persons in regard to their mutual rights or liabilities in respect of the use, construction or maintenance of a water-course, or among joint owners of a water-course as to their respective shares of the expenses of constructing or maintaining such water-course or as to the amount severally to be contributed by them towards such expenses or as to failure on the part of any owner to contribute his share, any person interested in the matter of such dispute may apply in writing to the Irrigation Officer stating the matter in dispute.

## (Secs. 17-19)

Such Officer shall thereupon proceed to make a summary enquiry into the matter in the manner prescribed and pass orders thereon.

Against the said order of the Irrigation Officer an appeal shall lie to the Collector within thirty days from the date of communication of the said order and the decision of the Collector in appeal shall be final unless set aside by a decree of a Civil Court.

17. No land acquired under this Chapter for a water-course shall be used for any other purpose without the previous consent in writing of the Collector.

Use of land acquired for water-course for other purpose.

18. Notwithstanding the provisions contained in sections 12 and 13 of this Chapter if the State Government consider it expedient to construct the water-courses pertaining to any irrigation work, they may lay out, construct and maintain at the cost of Government in the first instance, the entire system of water-courses or a substantial section of it, and effect recovery of the cost so incurred from the owners and occupiers of the lands other than the tenants protected under the Orissa Tenants' Relief Act, 1955 benefited thereby in the form of a general enhancement of the compulsory basic water-rate or water-cess or by the imposition of a special rate per acre in the manner prescribed:

Construction of water-courses by Government and recovery of cost incurred.

Provided that in consideration of special circumstances the State Government may decide to exempt the said owners and occupiers either wholly or partly from the said payments.

19. All expenses incurred by the State Government in connection with the construction and maintenance of water-courses and acquisition of lands therefor before the coming into force of this Act under any irrigation works including the Hirakud Dam Project shall be recovered from the owners and occupiers of the lands other than the tenants protected under the Orissa Tenants' Relief Act, 1955

Special provision for recovery of past expense incurred by Government.

1. For the words "compulsory basic water-rate or water-cess or the" the words "water-cess or by the" were substituted by the Orissa Irrigation (Amendment) Act, 1968 (Or. Act 10 of 1968), s. 3. Again the words "water-cess" were substituted by the words "compulsory basic water-rate or water-cess" by the Orissa Irrigation (Amendment) Act, 1974 (Or. Act 21 of 1974), s. 3.

## (Secs. 20-21)

benefited or to be benefited by such water-courses [in the form of a general enhancement of the compulsory basic water-rate or by the] imposition of a special rate per acre in the manner prescribed under section 18 :

Provided that in consideration of any special circumstances the State Government may exempt such owners and occupiers either wholly or partly from payment of such<sup>2</sup> [water-rate or special rate, as the case may be]

## CHAPTER IV

## SUPPLY OF WATER

Water supply  
to be subject  
to rules.

20. All supply of water from an irrigation work shall be subject to such rules or orders as may be prescribed or issued by the State Government from time to time with respect to rates, conditions or any other matter.

Water to be  
supplied on  
written  
application.

21. (1) Any person desiring to have supply of water from an irrigation work shall submit a written application to that effect to the Officer duly empowered to receive such applications within such date, in such form and in such manner as shall from time to time be prescribed by the State Government in this behalf :

<sup>3</sup> [Provided that no such application shall be necessary for irrigation of the crop or crops for which a compulsory basic water-rate is levied by the State Government under section 28.]

1. Substituted by the Orissa Irrigation (Amendment) Act, 1974 (Or Act 21 of 1974), s. 4 (a) for "by the which were substituted by the Orissa Irrigation (Amendment) Act, 1968 (Or. Act 10 of 1968 10),. 4 (a) for "in the form of a general enhancement of the compulsory basic water-rate or".

2. Substituted by *ibid*, s. 4 (b) for "special rate" which was substituted by Or Act 10 of 1968, for "water-rate" of the special rate, as the case may be".

3. Substituted by *ibid*, s.3.

## (Sec. 22)

(2) If the application be for a supply of water to be used for purposes other than those of irrigation, the officer duly empowered may, subject to the rules to be made under this Act, give permission for water to be taken for such purposes under such special conditions and restriction as to the limitation, control and measurement of the supply as may be imposed in each case and subject to such special rates as may be fixed for the purpose.

Water supply for purposes other than those of irrigation.

22. [(1)] The supply of water to any water-course or to any person who is entitled to such supply shall not be stopped except under such circumstances and subject to such limitations as are specified below, namely :—

Power to stop water supply.

(a) whenever and so long as it is necessary to stop such supply for the purpose of executing any work ordered by a competent authority ;

(b) whenever and so long as any water-course by which such supply is received is not maintained in such repair as to prevent the wasteful escape of water therefrom ;

(c) whenever and so long as it is necessary to do so in order to supply in rotation the legitimate demand of other persons entitled to water ;

(d) whenever and so long as it may be necessary to do so in order to prevent the wastage or misuse of water ;

(e) within periods fixed from time to time by an officer duly empowered in this behalf, of which due notice shall be given ;

(f) whenever and so long as it is necessary to stop such supply pending a change in the source thereof by an officer duly empowered in this behalf.

- Insertion of new section 20-A.** 5. In the principal Act, after section 20, the following section shall be inserted, namely:—
- “20-A. (1) The State Government may, in the public interest, regulate the use diversion, collection or consumption of water from Government water source for industrial and commercial purposes other than agriculture.
- (2) On and after commencement of the Orissa Irrigation (Amendment) Act, 1993, no person shall use, divert, collect or consume water from Government water source for any industry or commercial establishment except in accordance with a licence granted under this Act.
- (3) The licence referred to in sub-section (1) shall be subject to such terms and conditions, and shall be obtained from such authority, in such manner, and subject to payment of such fees, as may be prescribed.
- (4) Notwithstanding anything contained in sub-section (1) or in any subsisting contract, any person using, diverting, collecting or consuming water from Government water source for any industry or commercial establishment immediately before the commencement of the Orissa Irrigation (Amendment) Act, 1993 may continue to do so and shall be deemed to have been granted a licence under this Act—
- (i) for a period of three months from the date of such commencement; or
- (ii) if an application for the required licence is duly made in the prescribed manner to the appropriate authority within the period specified in clause (i) till the disposal of such application.”

(5) Any person who uses, diverts, collects or consumes water from Government water source in contravention of the provisions of this section, shall on conviction, be punishable with imprisonment for a term which may extend to three months, or with fine which may extend to twenty-five thousand rupees, or with both and where any such person after being convicted under this sub-section for the offence continues to commit the offence or commits it for the second or any subsequent time he shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to fifty thousand rupees, or with both.

(6) (a) Where an offence under this Act has been committed by a Company, every person who, at the time the offence was committed, was in charge of and was responsible to the Company for the conduct of the business of the Company, as well as the Company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly:

Provided that nothing contained in this sub-section shall render any such person liable to any punishment, if he proves that the offence was committed without his knowledge or that he had exercised all due diligence to prevent the commission of such offence.

(b) Notwithstanding anything contained in sub-section (1) where an offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any director, manager, secretary or other officer of the company such director, manager, secretary or other officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

(7) The rules that may be made for the purposes of this section may provide that the State Government may, in any case or class of cases, exempt in part or in full the payment of the required licence fee for any specified period in the interest of industrial and commercial developments in the State.
